Easter Coffee Morning

Our Easter Coffee Morning was lots of fun as usual. We were delighted to have some students from the YMCA Discovery College attend to have a look at what Highbury is all about - along with some delicious cake and treats enjoyed by many.

Highbury's very own Quiz Night

Well, we had our very first staff and family quiz night organised by our very own Sam and Kelly, who are now Highbury's official Quiz Masters!

With a brilliant set off questions, amazing raffle prizes sourced and great entertainment, we would like to say a huge thank you to Sam and Kelly for such a great evening.

We are thrilled to share that the evening raised over £500 for Highbury and we will certainly be organising another Quiz Night next year with everyone invited

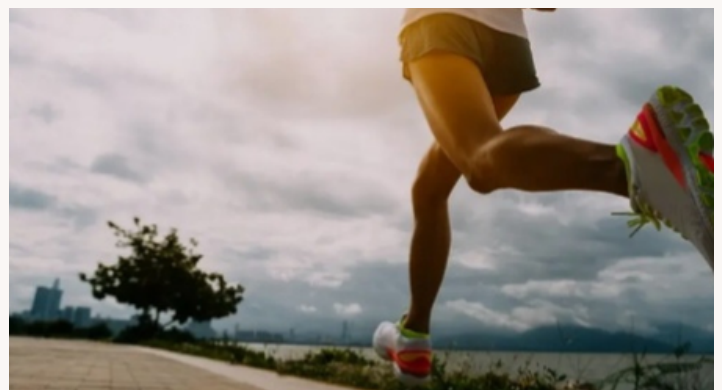

Cindy also completed her Brave the Shave challenge to raise money for new equipment for the Community Support Service

A huge thank you to Cindy for raising over £700!

Plymouth Half Marathon

We will be taking part in the Plymouth Half Marathon for the first time with 5 runners taking on the challenge to raise money for Highbury - we will soon be sharing some information about each of them on our social media pages so keep your eyes peeled!

Plym PAT Testing

Community Partners

We are delighted to announce an exciting milestone for Plymouth Highbury Trust as we officially welcome PlymPATTesting as our very first Community Partner.

PlymPATTesting is no stranger to Plymouth Highbury Trust. They have been carrying out PAT testing for us for a number of years, and during that time they have consistently delivered an excellent, reliable, and professional service. Through this ongoing support, we have built a strong and trusted relationship, making it especially meaningful that they are now joining us as our first official Community Partner.

We can't wait to see where this new partnership takes us and would like to say a huge thank you to everyone at PlymPATTesting for their continued support.

Sunrise to Sunset Solstice Walk

We are really excited to share that we will be taking part in the Summer Solstice - Sunrise to Sunset Walk, hosted by Be:Unique Wellbeing.

Our very own team will be stepping up to this incredible challenge to raise money for Plymouth Highbury Trust.

With some of us taking on the halfway challenge and others pushing for the full ultra marathon distance of 34 miles, it's set to be an unforgettable day.

We can't wait to come together and take on this challenge to raise vital funds to support the amazing people at Highbury and we would love your support.
